E Bulletin on Celebration of Women's Day on 8th March 2022

Violence against Women

International Women's Day on 8th March 2022 was celebrated with the UN's global slogan "Gender equality today for a Sustainable Tomorrow".

International Women's day is devoted to celebrating the achievements of women and seeking gender equality globally. This Day has assumed a new global aspect for women in developed and developing countries alike. The growing international women's movement from the past to till date has been strengthened and helped to make the memorial a rallying point to build support for women's rights and participation in the political and economic arenas. Likewise in Nepal also international women's day was celebrated by organizing different programs by various organizations to mark the day.

Jagaran Mahila Shroat Kendra, Biratnagar celebrated the 112th International women's day by participating in different programs to mark the day the celebration was started with a rally.
